

LIVE WEBINAR

FROM POSTS TO PROOF: INVESTIGATING THROUGH SOCIAL MEDIA

November 3, 2025 | 1130 - 1330 EST

COURSE DESCRIPTION

-  We live in a world filled with social media and individuals who use it on a daily basis. The popularity of social media platforms has enhanced police work and investigations overall.
-  This webinar will teach students how to navigate social media platforms to their advantage when it comes to investigation.
-  Attendees will look at cases in the news that have been solved via social media and the information gathered from it. With social media, a little information can go a long way in a case.
-  Key takeaways from this webinar include:
 - *What to look for on social media platforms.*
 - *The impact social media has on investigation.*
 - *Tips for navigating social media for investigation purposes.*

WHY CHOOSE US?

Our specialized training and resources bridge the gap between generic leadership courses and traditional forensic technician training, equipping you with the skills and knowledge needed for professional development in your forensic career.
