

# WHAT DO I DO WITH THIS?!: PURGING THE ODD AND UNUSUAL EVIDENCE

Nov. 18th, 2025 | 1300-1500 EST

## COURSE DESCRIPTION

What do you do with cremated ashes, vintage champagne, or a random airplane part that's been sitting in your evidence room for years? Every agency has those head-scratching items that don't fit into the typical purging process. This panel-style webinar brings together seasoned evidence professionals to tackle the unusual, the awkward, and the downright bizarre items we all encounter.

Bring your stories, your questions, and your strangest evidence challenges. Together, we'll share real-world strategies, resources, and contacts to help you finally clear out the random things you've been holding onto for far too long. Don't miss this chance to get practical guidance — and perhaps a few laughs — while learning how to lighten your load.

## WHY CHOOSE US?

Our specialized training and resources bridge the gap between generic leadership courses and traditional forensic technician training, equipping you with the skills and knowledge needed for professional development in your forensic career.
